SellSafe Decals

SellSafe decals are available to all farm machinery dealers. The SellSafe range of decals are printed with black text on high quality yellow weatherproof vinyl adhesive. All SellSafe Decals are square, individually cut labels and supplied in multiples of 10. Please refer to the Decal Information pages following, for label content.

The Importance of Decals

SellSafe decals, as specified by the SellSafe Risk Assessment Forms, provide tangible proof that purchasers of hazardous machinery have been given relevant information regarding the need for risk controls.

SellSafe Decals are made in two sizes, small and large. The actual measurements are as follows:

Small Decal = 90mm x 50mm

Large Decal = 90mm x 90mm

Decal Packs

To assist SellSafe customers, we have created various SellSafe Decal Packs which relate to the SellSafe Risk Assessment Forms contained within the SellSafe Manual. These packs contain all of the decals listed under the “Risk Controls Applied” column on each related risk assessment form. The labels contained within each ‘Decal Pack’ are listed in the following Decal Information pages.

Decal Pricing

All decals are individually die cut and supplied in multiples of 10. For example, to receive 50 single labels of SL001, simply order 5 x SL001 on the Decal Order page.

- The large decals are priced at \$15.00 / 10 pack (inc. GST),
- The small sized decals are priced at \$8.50 (inc. GST) / 10 pack.

Decal Packs are priced at \$18.50 / pack (inc. GST) and contain several single decals required for a specific machinery type. Decal Packs are delivered in an envelope with the pack contents listed on the outside for ease of use.

To order your warning decals, please photocopy the following ‘SellSafe Decals Order Form’ and when complete, scan and email it to our office, together with the ‘SellSafe Products Order Form’, to place an order. Orders are usually delivered within 5 business days using Australia Post Parcel services.

The cost of postage is additional and is charged at a flat rate of \$15 / order for all SellSafe customers.

SafeFarm Farm Machinery Safety Guides (SafeFarm Guides)

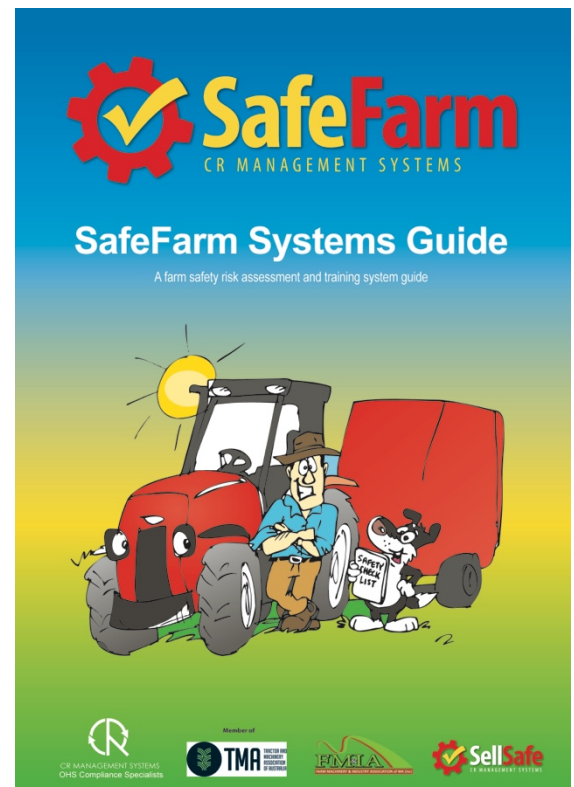

Farm Machinery Safety Guides are available at a cost of \$8.50 each for orders of less than 100 guides, or for \$6.50 each for orders of 100 guides or more.

To order SafeFarm Farm Machinery Safety Guides (FMSG), please enter the quantity required in the table listing the item 'SafeFarm Guides'. This is located on the 'SellSafe Products Order Form', under the heading 'SellSafe Farm Machinery Safety Guides & Decal Ordering'.

Custom Guides Available

Customised Guides are available to be created with your company logo in place of the SafeFarm logo at a costs of \$9.00 / guide with a minimum order quantity of 200 guides.

To arrange to have your company logo printed on the SafeFarm Systems Guide, please contact Bobbi Johnston on 0439 956 147, or send an email enquiry to bobbij@crms.com.au.

SellSafe Farm Machinery Safety Guide

The SellSafe Farm Machinery Safety Guide contains basic information regarding the safe use of farm machinery in the same easy to read, cartoon style of the previous safety manual. It also includes carbonised SellSafe Pre-Delivery Checklist and the Delivery Checklist Reports to create proof that the dealer's legal duties have been fulfilled.

Records of Induction Training

The Safety Guide is designed to be used by the machinery purchaser, to provide legal evidence that general induction training has been provided to their employees who use machines.

Benefits of providing the Farm Machinery Safety Guide to every purchaser:

- Provides additional tangible proof of information regarding the safe use of machinery provided to a purchaser; and
- Provides a simple way for a purchaser to record training provided to their employees.

Please note that the Safety Guide should not be used as a substitute for the original Operators Handbook, or as a substitute for full hazard identification and risk control documentation.

Customised Guides are available upon request which incorporates your company logo on the front cover. Please contact us for further information.

Pricing

SellSafe Farm Machinery Guides are available for \$6.50 each (inc. GST) in quantities of 100 or more, plus postage, or for \$8.50 each (inc. GST) for orders of less than 100, plus postage. Customised guides are priced at \$9.00 each and orders must be for quantities of 200 or more.

Please order using the SellSafe Products Order Form, or alternatively, contact CR Management Systems on (03) 9731 1427 for further information.
